Title

Fire Call Charges

Page 1 of 1

Date Approved

August 1, 1995

Policy

The County of Two Hills No. 21 will, in accordance with By-Law No. 3-2001, being a charge to the owner or occupant of land(s) with respect to extinguishing fires on land(s) within the County.

- a) The minimum fee levied with respect to extinguishing all fires will be \$300.00 as addressed in R-5449.
- b) The owner or occupant will receive the following with respect to extinguishing fires:
 - 1. Invoice for Extinguishing Fire
 - 2. Letter announcing full cost of extinguishing the fire
 - 3. Request that the letter be submitted to their insurance company
 - 4. Fire protection insurance cost
- c) All permits issued by a County Fire Guardian will inscript on the permit "That the permittee will be responsible for all fire extinguishing costs should the fire flare up in the future".

Purpose

To recover some of the costs associated with fire calls and to eliminate unnecessary fire calls.

Definition

Extinguishing fires - responding to a fire call with equipment, whether equipment is utilized or not.
